

Transforming data into *actionable results.*

View your campus analytics anytime, anywhere. You know that your data is valuable. What you need is visibility to campus-wide data and a platform to process it in a meaningful way, creating meaningful actions. This interactive reporting platform will help you make better decisions that will impact your bottom line.

FEATURES

- Intuitively analyze campus operations
- No coding required
- One platform to access key business indicators
- Configurable reports, pre-built and custom-built
- Easy to comprehend analytics at your fingertips, both overall and specific merchandise analytics
- Download the mobile app to view your data from anywhere with on-the-go access
- Make smarter full enterprise decisions
- Daily dashboard shows impact on day-to-day decisions
- Turns inventory management into a better bottom line

“ We needed a way to standardize reporting and
with PrismInsight, the task was SIMPLE! ”

- Terence Cahill, Director College Store, SUNY Cortland
