

DYNAMIC SOURCING

A FEW BENEFITS

MARKET-BASED PRICING on ALL titles, no matter the source.

BETTER FILL RATE than sourcing only our warehouse.

TWO SHIPMENTS MAXIMUM per order.

How does it work?

Sign up for Dynamic Sourcing at nebook.com/dynamicsourcingrequest
Next, visit MyNBC.com or use your current ordering method to place your order.

NBC will source its warehouse AND the greater marketplace for your requested titles.

On the self-chosen shipping date*, **all books will be shipped**. Warehouse books will ship separately from marketplace books.

You will be **emailed an invoice** for books sourced from the warehouse and another invoice for books from the marketplace.

BEST FOR STORES WITH...

- ...early adoptions with long lead times
- ...predictable sell through rates
- ...OE's or other hard to find titles
- ...a need for the best possible value

SPECIAL TERMS

- No returns**, no matter the source.
- Only one open Dynamic Sourcing order per account at any time.
- No exceptions.
